SUPER CHURCH NEWS

Parents:

First off, thank you for allowing us to teach your children the Word of God and planting seed into their lives. We really love watching them grow and develop as they come to know Jesus more. With that said, we also want to thank you for the financial seeds you send with your children to Super Church to plant into the children's ministry. We just wanted to let you know that all of the offerings we receive in Super Church go right back into Super Church through curriculum and materials. Your contributions enable to do all the fun things your children come home and tell you about. Again, thank you for giving them the opportunity to sow seed into their ministry.

The Super Church Staff.
